

STATES OF DELIBERATION

30th April 2014

**Billet d'État No. IX
Article 7**

AMENDMENT

Proposed by: Deputy G A St Pier
Seconded by: Deputy J Kuttelwascher

**Health and Social Services Department
114th Medical Officer of Health Annual Report**

To designate the proposition “1” and insert an additional proposition:

“2. To direct the Health and Social Services Department to review the role, purpose and accountability of the Medical Officer of Health and report back to the States no later than April 2015 with any recommendations arising therefrom.”

Explanatory note

As the States Report notes, the statutory role of the Medical Officer of Health was first appointed in 1899 and this is the 114th report. It seems appropriate after this period of time to review the role, purpose and accountability of the position.
