AMENDMENT

Proposed by: Deputy GA St Pier
Seconded by: Deputy S Ogier

**Requete
Island Wide Voting**

To delete the Propositions and substitute therefor:

“1. To agree in principle that with effect from the 2016 General Election, all electors may use up to two votes for candidates seeking election in districts other than the district in which the elector is registered.

2. To direct the States Assembly and Constitution Committee to report as expeditiously as possible advising the States on the practical and legislative changes necessary to give effect to Proposition 1.”

Explanatory note

The purpose of this amendment is to give voters 2 'golden votes' for use outside their own district. These votes shall be in substitution to the number of votes which they have in their own district.
